

*Dear Governor Newsom:*

*I am a California resident and I am writing to respectfully urge you to sign SB 313, the Circus Cruelty Prevention Act, into law. This legislation is crucial for promoting animal welfare in California. Wild and exotic animals used in circuses experience horrific abuse and mistreatment, including cruel training methods to force animals to perform tricks on command, and constant confinement. California is a leader in safeguarding the rights and welfare of animals. Again, I ask that you sign SB 313 into law to ban the use of wild and exotic animals in circuses.*

*Kindest regards,
